

CHALMERS
UNIVERSITY OF TECHNOLOGY

2nd ENHANCE Summer School in Sustainable Entrepreneurship and Innovation

Chalmers University of Technology (Sweden) hosts the second edition of the ENHANCE Summer School on Sustainable Entrepreneurship and Innovation, with digital sessions, independent work, and an in-presence intensive week taking place **from 21 to 25 August 2023**. Completing the course will be rewarded with a certificate worth **6 ECTS**. All the **Master and PhD students** of the ENHANCE partner institutions are invited to apply through their universities and enjoy this international experience focusing on an important societal topic.

REGISTRATION DEADLINE – 24th of April 2023
