

**Timetable for the summer session 2025/2026**  
**Classroom studies at the SECOND level**  
**Year 1 Sem 2**

| Date        |           | Hour         | room | Electric and Hybrid Vehicle Engineering |
|-------------|-----------|--------------|------|-----------------------------------------|
| 17.06.2026  | Wednesday |              |      |                                         |
|             |           |              |      |                                         |
| 18.06.20256 | Thursday  |              |      |                                         |
|             |           |              |      |                                         |
| 19.06.2026  | Friday    |              |      |                                         |
|             |           |              |      |                                         |
| 20.06.2026  | Saturday  |              |      |                                         |
| 21.06.2026  | Sunday    |              |      |                                         |
| 22.06.2026  | Monday    | 9.00 - 12.00 | 2.1  | Thermodynamics of Heat Engines          |
|             |           |              |      |                                         |
| 23.06.2026  | Tuesday   |              |      |                                         |
|             |           |              |      |                                         |
| 24.06.20265 | Wednesday |              |      |                                         |
|             |           |              |      |                                         |
| 25.06.2026  | Thursday  |              |      |                                         |
|             |           |              |      |                                         |
| 26.06.2026  | Friday    |              |      |                                         |
|             |           |              |      |                                         |
| 27.06.2026  | Saturday  |              |      |                                         |
|             |           |              |      |                                         |
| 28.06.2026  | Sunday    |              |      |                                         |
|             |           |              |      |                                         |
| 29.06.2026  | Monday    | 9.00 - 12.00 | 2.1  | Thermodynamics of Heat Engines          |
|             |           |              |      |                                         |
| 30.06.2026  | Tuesday   |              |      |                                         |
|             |           |              |      |                                         |
