

Timetable, SiMR Faculty Acad. year 2025/2026																		
II-nd year of study						Semester: 4						Full-time study						
		2.1 EHVE								2.1 EHVE								
MONDAY	8:15 - 9:00	Project on Machine Design I (project) room 3.14						THURSDAY	8:15 - 9:00	Software Engineering (laboratory) room 4.3								
	9:15 - 10:00																	
	10:15 - 11:00	Magnetic Materials (lecture) room 2.1 I p.s.			Electric Machines (lecture) room 2.1 II p.s.				10:15 - 11:00	Electrochemistry (lecture) room 3.6								
	11:15 - 12:00																	
	12:15 - 13:00	Introduction to Machine Design I (lecture) room 3.8							12:15 - 13:00	The scientific seminar sala multimedialna								
	13:15 - 14:00																	
	14:15 - 15:00																	
	15:15 - 16:00																	
	16:15 - 17:00																	
	17:15 - 18:00								17:15 - 18:00									
	18:15 - 19:00								18:15 - 19:00									
	19:15 - 20:00								19:15 - 20:00									
		2.1 EHVE								2.1 EHVE								
TUESDAY	8:15 - 9:00							FRIDAY	8:15 - 9:00	Fuel Cells room 2.1 I p.s.			Mechatronic Sensor and Actuator Systems (laboratory) room 1.2 II p.s.					
	9:15 - 10:00								9:15 - 10:00									
	10:15 - 11:00								10:15 - 11:00									
	11:15 - 12:00	Power Electronics Gmach Elektrotechniki (laboratory) room GE0099 alternating even and odd weeks the group is divided (classes start at 11.00 a. m.)							11:15 - 12:00				Automation Systems (laboratory) room 1.11A/1.11F / 3.2 II p.s.					
	12:15 - 13:00															12:15 - 13:00		
	13:15 - 14:00	Foreign Language room 0.3							13:15 - 14:00	Mechatronic Sensor and Actuator Systems (lecture) room 2.1 I p.s.								
	14:15 - 15:00														14:15 - 15:00			
	15:15 - 16:00	Physical Education and Sport riviera							15:15 - 16:00									
	16:15 - 17:00														16:15 - 17:00			
	17:15 - 18:00								17:15 - 18:00									
	18:15 - 19:00								18:15 - 19:00									
	19:15 - 20:00								19:15 - 20:00									
		2.1 EHVE																
WEDNESDAY	8:15 - 9:00							<u>Uwagi:</u> I p.s - first half of the semester II p.s - second half of semester										
	9:15 - 10:00																	
	10:15 - 11:00	Automation Systems (lecture) room 2.4B I p.s			Simulation of Dynamic Systems I (laboratory) room 4.8 II p.s.													
	11:15 - 12:00																	
	12:15 - 13:00	Power Electronics (lecture) room 2.4B																
	13:15 - 14:00																	
	14:15 - 15:00	Foreign Language room 3.7																
	15:15 - 16:00																	
	16:15 - 17:00																	
	17:15 - 18:00																	
	18:15 - 19:00																	
	19:15 - 20:00
